Justices Supreme Court. It is very gratifying to the friends of Justices James B. Whitfield and Charles B. Parkhill to learn from every section of the State that these young Floridians will get almost a solid vote for Justices of the Supreme Court of Florida. This is as it should be, for there never was a better example of self-made men and it is generally conceded that they should be given a full term, for this Democratic, and in recognition of their faithfulness and efficiency during the short time they have been on the Supreme Court bench.

Every friend of these gentlemen is urged to see to it that all qualified persons vote, marking their ballot thus: X Charles B. Parkhill. X J. B. Whitfield.

AN OPEN LETTER (No. 7.) DeLand, Fla., May 11, '06.

To the People of Volusia County: Mr. James W. Perkins has issued a circular letter to the people of the county, appealing to them to vote for Mr. Sams so that he will be re-elected.

I made, in my platform, a frank proposition to Mr. Perkins, stating that I would, if elected, vote in the Senate to reinstate him if he would submit the charges preferred against him, and his answer thereto, to the people of the county, and they instructed me to do so.

I have seen the charges preferred against Mr. Perkins and consider them of very serious character; I consider them conclusive evidence of his unfitness for the position of county solicitor, a position of more power and authority than a whole grand jury. On the other hand, Mr. Perkins claims that the charges are false and spiteful. I asked him to show the charges to do so. Why has he refused?

BECAUSE HE KNEW THAT, AFTER THE PEOPLE HAD SEEN THE CHARGES, THEY WOULD BELIEVE AS I BELIEVE, AND AS YOUR GOVERNOR BELIEVES. I offered to abide by the decision of the people, after they had seen the charges.

He wants the decision of the people without showing them the charges. Which was the fairer proposition?

The truth of the matter is, the Criminal court has been a source of political disturbance, needless expense to the tax payers, and, in my opinion, nothing but a political machine, since first established, and should be abolished.

There are only five Criminal courts in all of Florida's 46 counties. The others are in Duval, Escambia, Hillsborough and Orange counties. The other 41 counties of the State get along with justices of the peace and Circuit courts. Why does Volusia need a Criminal court when larger and more prosperous counties do not?

Abolish the court and cut out this cankerous sore. Respectfully, CHRIS O. CODRINGTON.
